Dear Parents and Carers,

Re: GCSE information evening Thursday 24th September 2026

During years 10 and 11 learners' study for their core and optional subject examinations and assessments. While Year 11 is well known for having a series of examinations at the end of it, learners will also sit several exams and complete NEAs (None Examination Assessments) during Year 10.

We invite you to attend an information evening on the 24th September. Due to the Year 10 curriculum having some differences to Year 11, we are hosting two separate meetings on this date. They will be at the following times:

- **Year 10 GCSE Information Evening 4 – 4.45pm**
- **Year 11 GCSE Information Evening 5 - 5.45pm**

During the evening, Curriculum Progress Leaders for the core subjects of English, Mathematics and Science will discuss the course your child is following, how they will be assessed and what you can do to support them. The Pastoral Progress Leader for the Year Group will also be present, should you wish to speak to them individually before or after, about issues relevant to your child.

Please follow the link below to let us know that you will be attending, adding any questions you might have in advance, so we can address them during the evening.
