Achievement for All
Llwyddiant i Bawb

Dear Parent/Guardian,

I am pleased to share that we will be holding our annual **Sixth Form Options Evening** on **Tuesday 13th January 2026**. We will open our doors to prospective 'Class of 2028' sixth form students and their parents/guardians between **4:30pm and 6:30pm**, providing the opportunity to discuss courses with our team of sixth form subject teachers.

There will be no formal presentations during the evening, so that more time can be spent discussing courses with our subject specialists to ensure that when the time comes to make their choices, students are well informed and able to make the right choices.

By attending the Options Evening, your child is not committing to joining our sixth form, and if you are unable to attend, it does not mean that your child can't attend our sixth form. Our aim for the evening is to support the students in making the right choices for the next step in their journey.

When you arrive on the evening, you will be greeted in reception by members of our Senior Student Team and our Senior Leadership Team, who will sign you in and direct you to our team of teachers who will be located between the Canteen and Sixth Form Common Room.

Key Information for Sixth Form

- Students will be allocated a form tutor as a regular point of contact.
- All students will study the Advanced Skills Challenge Certificate to develop many lifelong learning skills for their futures.
- Students will generally choose three subject options to study alongside the Skills Challenge Certificate.
- Students have the opportunity to make one of the broad variety of Conwy Linc subjects one of their option choices. These courses are taught on a Wednesday and transport to base schools/college is provided. There will be an Open Event at Venue Cymru on Wednesday 28th January during the school day for those wishing to find out more about these courses.

We look forward to seeing you during our Options Evening.

Yours Sincerely

R J Render

Assistant Headteacher
